

RESULTS FROM THE Riding Clubs Training Show.

N.I. Riding Clubs held their second Training Show at Portmore organised by David and Sylvia Nicholl.

Although the entries were low all those who attended enjoyed the experience and friendly help regarding their riding technique.

Training Shows allow riders to compete in a leisurely atmosphere and surroundings to engender a familiarity with reading and riding a well constructed course without pressure of competition.

The Riding Clubs Training Show uses Portmore, a favourite with most members which can supply a selection of fences spaced to allow promotion of confidence.

The organisers wish to thank all the clubs that supported the Show and also those members who volunteered to help especially a lady who decided not to bring her horse so that she could help – that is a good riding clubs member- Thank you Judith.

The following members achieved a double clear and received a red rosette and a small gift.

60cms: Gail McKee, Capall.
